superheroes, supervillains, magic, and a bit of G-rated lesfic attraction and flirtation. At first, I thought the narration was too rapid and breathless, but as the story progressed I found I enjoyed the pace and the narrator's voice, and by the end of the book I thought she was simply terrific for the story and the characters.

Down With the Queen proved a fun sequel to Benjamin Medrano's Born a Queen. This book was not quite so good as the first one but was still an enjoyable read. The story is a nice mix of comic book style action and slow paced romance. A lot of the elements that made the first book so much fun were back in this story.
