British Ports Association Port And

The British Ports Association represents all types and sizes of ports, their operators and facilities throughout the United Kingdom. At the heart of the UK economy Ports play a vital role.

The British Ports Association

The British Ports Association is a national membership body for ports. We represent the interests of operators that handle 86% of all UK port traffic, to Westminster and devolved Governments, and other national and international bodies. We are an inclusive and progressive association, open to all and committed to the fair treatment of ports up and down the country.
