See, for a long time I was pushing online repair manuals from Alldata and Mitchell1. I made some money, and in all fairness, they have a great product. The online manuals gave excellent repair information, had the exploded views and wiring diagrams that I needed to fix my car plus kept me up to date on recalls and TSB information.

I had to replace a headlight housing and this manual was spot on for that repair. I've used these manuals in the past for other vehicles, and while you can probably look up most repairs online, having this manual handy while looking into the engine compartment or laying under the car is invaluable. Thanks!
