**Destiny Divided
(Shadows of
Destiny, #1) by Leia
Shaw**

The first book in the
Shadows of Destiny is

Access Free Destiny Divided Shadows Of 1 Leia Shaw

good as a standalone, but is great as the opener to the series. I found myself reading the consecutive books back to back, then discovered the first four are available as a bundle. So my recommendation is to go ahead and get the bundle, then get the remaining books. You won't be disappointed.
