## **Femme Mystique**

The Feminine Mystique was one of many catalysts for the second-wave feminist movement (1960s–80s). By the end of the 1980s, however, its flaws had been clearly identified. Its arguments, broadly speaking, were less relevant, because twice as many women were in the workforce as had been during the 1950s.

Champagne glasses are filled with lemonade. This is the Black Femme Mystique. In a political climate fraught with the systematic silencing of POC voices and the ever-present violence against Black women and men, events like this are more crucial than ever. Black femmes are being repressed, restrained, and made invisible — but not on this night.
