In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

I couldn't put Fools Rush In down! The story is about a young Italian-American woman who lives in Galveston, Texas. Bella Rossi has just taken over her parents' wedding planning business...when she promptly falls for a Texas cowboy named D.J. They meet after she mistakes him for a deejay (not D.J.) who she hires for the wedding she's coordinating.
