How the Scots Invented the Modern World — The True Story of How Western Europe's Poorest Nation Created Our World and Everything in It By Arthur Herman ©2001 A short Book Report by Ron Housley It was apparently a New York Times bestseller back in 2001; I missed it at the time Many of us "educated" in the American government schools are woefully uninformed about important European history, uninformed about even the major events which have shaped our present world.

How the Scots Invented the Modern World by Arthur Herman

[Herman's] racy theme is that, uniquely, the Scots invented the idea of 'modernity' in the late 18th century and then carried it abroad with their 19th century Diaspora. And that this Scottish paradigm became the foundation of the Western model — individualism, capitalism, technology worship and representative democracy — which has ...
