How to Be Productive and Get Things Done - 5 Techniques

Getting Things Done is a time management method, described in the book of the same title by productivity consultant David Allen. The GTD method rests on the idea of moving planned tasks and projects out of the mind by recording them externally and then breaking them into actionable work items. This allows attention to be focused on taking action on tasks, instead of recalling them. First published in 2001, a revised edition of the book was released in 2015 to reflect the changes in information t

Getting Things Done (GTD) by David Allen - Animated Book ...

GTD—or "Getting things done"—is a framework for organizing and tracking your tasks and projects. Its aim is a bit higher than just "getting things done", though. (It should have been called "Getting things done in a much better way than just letting things happen, which often turns out not to be very cool at all".)

GTD in 15 minutes - A Pragmatic Guide to Getting Things Done

I do not really know how to teach how to get things done except by allowing you into my life and into my systems. I intend to give examples from my own life, not because they are necessarily the best or only way of doing things, but because they work for me and may give you something to build from.
