India Becoming A Portrait Of

A portrait of the incredible change and economic development of modern India, and of social and national transformation there told through individual lives Raised in India, and educated in the U.S., Akash Kapur returned to India in 2003 to raise a family. What he found was an ancient country in transition.

India Becoming: A Portrait of Life in Modern India: Kapur ...

I received a copy of India Becoming: A Portrait of Life in Modern India by Akash Kapur from a giveaway on Goodreads. Kapur is an adept writer whose first person accounts of his return in adulthood to India bring life and depth to this novel. The story flowed fairly well, and showed the readers two faces of India.

"A portrait of incredible change and economic development, of social and national transformation told through individual lives. The son of an Indian father and an American mother, Akash Kapur spent his formative years in India and his early adulthood in the United States.

India becoming : a portrait of life in modern India ...

Mr Kapur gives a clear portrait of India in transition and by focussing on well-told stories of individual people, he manages to paint a much larger picture of the state of the nation and its contradictions. The writing is clear and undemanding, the observations sympathetic and it's a really good read.

The senator's mother, the late biologist Shyamala Gopalan, was an immigrant from India and a Hindu, who married Jamaican-born scholar and Stanford economist Donald Harris.

In Kamala Harris' textured background, a portrait of ...

India Becoming is a rare insider's look at the process of development, a ground-up portrait of massive economic, social and cultural transition. Akash Kapur eschews the broad sweep of policy tomes, opting instead for a close look at the villages, towns, and lives being swept up in India's great leap toward modernity.

INDIA BECOMING A Portrait of Life in Modern India

Multiculturalism says, go to your ghetto. Many places could be called a land of contrasts, but India seems to take it to the extreme. This is by no means a comprehensive history of the country, as it only covers since independence and even then is just a portrait or snapshot as the title suggested.

India: A Portrait by Patrick French

"A portrait of incredible change and economic development, of social and national transformation told through individual lives. The son of an Indian father and an American mother, Akash Kapur spent his formative years in India and his early adulthood in the United States. In 2003, he returned to his birth country for good, eager to be part of its exciting growth and modernization. What he ...
