Reading the Forested Landscape with Tom Wessels. This program is based on Tom Wessels' book, "Reading the Forested Landscape, A Natural History of New England". It introduces people to approaches used to interpret a forest's history while wandering through it. Using evidence such as the shapes of trees, scars on their trunks, the pattern of decay in stumps, the construction of stone walls, and the lay of the land, it is possible to unravel complex stories etched into our forested ...
