The CIPHER Kathe Koja
The CIPHER is a classic of horror fiction and one I have been meaning to pick up for some time. This book feels like sinking your teeth into the dark, or jumping into the abyss. I felt swallowed whole while reading this novel, and hollowed out at the end. The basic premise is simple: Nicholas and Nakota find a pitch black hole in a storage room.

Kathe Koja is a talented writer and The CIPHER is a unique, impressive debut. Koja conjures up a believable milieu of under-achieving, alcohol-soaked thirty-something losers and deluded artists, with the “fun couple” protagonists, weak-willed Nicholas and his über-bitch An arty, punk rock, existentialist sort of horror tale, with a pretty good-sized cult following.

The CIPHER by Kathe Koja - Goodreads
The basic premise is simple: Nicholas and Nakota find a pitch black hole in a storage room. They call it the Funhole and become increasingly obsessed with it. Kathe Koja’s writing is dark and grimy. You can see the mess of the squalid apartment, the clutter of the storage room where the Funhole resides.

The very first title released under the Dell/Abyss line happens to be one of the best horror novels I’ve ever read: Kathe Koja’s The CIPHER. Kathe Koja, an author who Library Journal once described as a collaboration between Clive Barker and William S. Burroughs, possesses a writing style unmatched by anyone else in the business. The CIPHER is her first novel, but it shines like the work of a true master. Never have I experienced something so visceral and ugly and beautiful all in one ...

The CIPHER by Kathe Koja (1991): Your Place in Oblivion is Secure I still don't think there's been anything in horror quite like Kathe Koja 's debut novel, The CIPHER (Feb 1991, Dell/Abyss). These days she writes only young-adult fiction, but close to 20 years ago she was, as far as I was concerned at the time, the absolute cutting edge of horror.
