Multinational Business Finance (14th Edition) (Pearson ...

A multinational corporation (MNC) is a corporate organization that owns or controls production of goods or services in at least one country other than its home country. Black's Law Dictionary suggests that a company or group should be considered a multinational corporation if it derives 25% or more of its revenue from out-of-home-country operations. . However, a firm that owns and controls 51% ...

Changing models of multinational enterprise (MNE) organization over the last three decades of the twentieth century are surveyed and their theoretical underpinnings examined. The potential of these theories for understanding the future evolution of organizations in international business is assessed. An appendix gives details of the basic models of formal MNE structure identified in the 1960s ...
