Win At Spades Basic And

Keep in mind that the ace of spades is an automatic win, the king of spades is a guaranteed win if you have the ace as well, and so on. If you have 2 or less cards in any given suit, you can consider betting on lower spades like 7-9, even if you don't have more than 3 spades, and use them as trumps when you can't follow suit.

Win at Spades: Basic and Intermediate Techniques: Andrews ...

The person who plays the highest card in the led suit or the highest spade collects up the four cards played and wins the trick. At every trick, the player who won the previous trick can lead anything she likes — with the exception of spades. You can't lead spades at any point in the game until the suit is broken.

Playing Spades: A Few Strategies - dummies

The objective of North and South is to win at least 5 tricks (4+1), East and West try to win at least 7 (4+3). A bid of 0 tricks is known as Nil. This is a declaration that that the player who bid

Nil will not win any tricks during the play. There is an extra bonus for this if it succeeds and a penalty if it fails.

Spades - card game rules

If no spade is played during a trick, it is won by the highest value card of the initially played suit. If cards of the spades suit are played, the trick is won by the highest value spade. The winner in the last trick begins the next one. A spade card cannot be played until:

Spades Rules ♠ VIP Spades

Spades is a classic card game in which the object is to win the number of tricks that your team bids. Learn the rules and finer points of Spades, such as sandbags and underbidding.

A trick containing a spade is won by the highest spade played; if no spade is played, the trick is won by the highest card of the suit led. The winner of each trick leads to the next. Spades may not be led until either some player has played a spade (on the lead of another suit, of course), or the leader has nothing but spades left in hand.

Spades | Play it online

To start you must estimate how many tricks you think you can take with your hand. Your bid and your partners are then added together and this is the number of tricks your team must take. Play begins with the player to the dealer's left leading a card. The highest card in that suit wins the trick.
