languages, such as Spanish, have papers written in languages other than English. However, the Writing Portfolio is an assessment of Written English Competency, so papers submitted must be written in English.

Writing Portfolio Program | Writing Portfolio

A portfolio assessment requires a great level of individual interaction between the student and teacher wherein they are always collaborating about the requirements and components going into the portfolio.

The Purpose of Building a Portfolio Assessment

Disenchanted with the decontextualized psychometric-based testing of writing ability, the current study attempts to employ the portfolio-based writing assessment as a viable contextualized alternative approach that links teaching, learning, and assessment within a single context.

Portfolio as a Viable Alternative in Writing Assessment

Portfolio assessment is a term with many meanings, and it is a process that can serve a variety of purposes. A portfolio is a collection of student work that can exhibit a student's efforts, progress, and achievements in various areas of the curriculum. A portfolio assessment can be an examination of student-selected samples of work experiences and documents related to outcomes being assessed, and it can address and support progress toward achieving academic goals, including student efficacy.

Rubrics and Portfolios | HSC Faculty Development

Each portfolio must demonstrate the student's fluency with certain specific academic writing skills. Portfolios are read and scored by volunteers from Carleton faculty and instructional staff, who award each portfolio a score of "Exemplary," "Pass," or "Needs Work.". The portfolios are then stored in an archive, which researchers in and outside of Carleton may use to assess the overall quality of writing instruction at Carleton and to develop new techniques for teaching and ...

A portfolio is not a collection of a students' work haphazardly over time. Thus, in developing a portfolio it is important to decide its' purpose, evidence consisting of portfolio, and its' assessment criteria (Barton & Collins, 1997). There is a closely related three aspects, and these aspects affect each other directly.

The Use of Portfolio to Assess Student's Performance

A working portfolio is so named because it is a project "in the works," containing work in progress as well as finished samples of work. It serves as a holding tank for work that may be selected later for a more permanent assessment or display portfolio.. A working portfolio is different from a work folder, which is simply a receptacle for all work, with no purpose to the collection.

Portfolios are an especially promising approach to addressing all of these criteria. Brings Assessment in Line with Instruction Portfolios are an effective way to bring assessment into harmony with instructional goals. Portfolios can be thought of as a form of "embedded assessment"; that is, the assessment tasks are a part of instruction.

Portfolio Assessment

"The process-writing portfolio is an instructional tool that manifests the stages and efforts in the writing process. It also contains completed, unfinished, abandoned, or successful work.

Definition and Discussion of Writing Portfolios

Using portfolios in assessment encourages course designers to design and assess courses in a more integrated way across a program (Klenowski et al., 2006; O'Sullivan et al., n.d.). Portfolios can provide progressive and coherent snapshots of a learner's knowledge, performance and development at particular points in a course or program.
